

Jostens

By: Joanique Bowser

One of the highlights of the school year is the visit by the Jostens's company. Representatives bring information about junior rings and senior supplies. Jostens representatives visited Lutchter on October 25. Juniors received class ring packages and seniors discussed caps, gowns, and invitation choices. Jostens will be returning to Lutchter on November 9, to meet with Juniors, seniors, and their parents to place their orders. This will also be another chance to purchase a growl yearbook.
